

URGENT ACTION

BUSINESSMAN DETAINED, RISKS TORTURE

Businessman Mohammed Abdulwahab el-Sayed has been held incommunicado since 22 June 2009, putting him at risk of torture or other ill-treatment.

Mohammed Abdulwahab el-Sayed, 33, runs a mobile phone business, and was returning from a business trip to the United Arab Emirates when he was detained by the airport security services at Cairo International Airport. Two colleagues who were with him say he was detained at 7.30pm, and told to sign a document given to him by State Security Investigations (SSI) officers, falsely declaring that he had received his luggage and passport. At 2am he was driven away, handcuffed, by State Security Investigations (SSI) officers. His family have not heard from him since.

It is not known why Mohammed Abdulwahab el-Sayed was arrested and is now being detained. Security officials searched his shop two days before his arrest and took away his computer's hard drive, but his family were given a document from the Security Services of al-Dokahlia Governorate stating that he was not wanted for arrest.

The authorities have not revealed his whereabouts, though his family have made inquiries to the Ministry of the Interior and the Public Prosecutor. His mother also inquired at the SSI headquarters in Lazoghly, Cairo, and at the Security Department of the city of al-Mansoura, where he lives. He is believed to be held incommunicado by the SSI at an unknown location. Detainees held by the SSI are at risk of torture and other ill-treatment, especially when they are held incommunicado and at undisclosed locations.

PLEASE WRITE IMMEDIATELY in English, Arabic or your own language:

- urging the authorities to disclose Mohammed Abdulwahab el-Sayed's whereabouts immediately, and give him access to a lawyer of his choice, his family and any medical attention he may require;
- urging them to ensure that he is not tortured or otherwise ill-treated;
- urging them to release Mohammed Abdulwahab el-Sayed immediately and unconditionally, unless he is promptly charged with a recognizably criminal offence and brought to trial in proceedings that meet international standards for fair trial.

ADDITIONAL INFORMATION

The detention of Mohammed Abdulwahab el-Sayed fits a pattern of people being arrested at Cairo's airport or elsewhere and detained incommunicado for weeks by the security forces, during which time they are tortured or otherwise ill-treated. French national Romuald Durand was arrested at Cairo International Airport when he travelled to Egypt on 21 April 2009, tortured in SSI custody and then deported to France on 22 June 2009.
