

Amnesty International Limited – 2016 Income Report

This report lists the sources of Amnesty International Limited's (AIL) income in 2016. The vast majority of this income came from other Amnesty entities around the world. This report expands on information in the Amnesty International Limited Report and Financial Statements for the Year Ended 31 December 2016. It should be read in conjunction with that report.

Unless otherwise stated income is unrestricted and can be used for any aspect of our work. More detail on this expenditure is recorded in the accounts mentioned above.
